AMENDMENT AND RESPONSE TO NOTICE OF NON-RESPONSIVE AMENDMENT

In response to the Notice of Non-Responsive Amendment mailed on January 22, 2009, Applicants re-submit the Supplemental Amendment dated October 10, 2008. During a telephone interview held on February 19, 2009, we advised the Examiner that the Supplemental Amendment further amended the claims. In the Supplemental Amendment, the claims were amended as if the Amendments to the Claims contained in the Amendment of September 4, 2008 were entered first. Upon advising the Examiner of this, we were instructed to re-submit the October 10, 2008 Supplemental Amendment.

Thus, in further response to the Office Action of June 4, 2008, Applicants re-submit the Supplemental Amendment of September 4, 2008, which contains the following parts:

Amendments to the Claims, which begin on page 2 of this paper; and

Remarks, which begin on page 5 of this paper.

I hereby certify that this correspondence is being electronically submitted to the United States Patent and Trademark Office on February 23, 2009.
